Nominee/Candidate: Sandy Raffelson

Work Address: 448-805 Pole Line Rd, P O Box 515, Herlong CA 96113
Work Phone: (530) 827-3150 Home Phone: (530) 254-0234

Why do you want to serve on the SDRMA Board of Directors?

I think it would be a great experience to serve on the Board and I could give Northern California and Small District's a voice on the Board. I feel I would be an asset to the Board with my degree in business and my 25 years experience in accounting and auditing. I have audited small districts and know what they need and what they can afford.

I understand the challenges that small District face every day when it comes to managing liability insurance and worker's compensation for a few employees with limited revenues and staff. My education and experience gives me an appreciation of the importance of risk management services and programs, especially for smaller district's that lack expertise among staff because of not dealing with claims on a day to day basis to be proficient in it.

I feel I could be an asset to this Board and would love a chance to try.

What Board or committee experience do you have that would help you to be an effective Board Member? (SDRMA or any other organization)

I am currently the District Clerk for the Herlong PUD Board of Directors for the last 3 years, before that serving as the Secretary to the Board of Herlong Utilities, Inc. I worked directly with the formation of our District which included working for 2 separate Board's of Directors and the transfer of assets from a public benefit corporation to a special district. As part of the team that worked to form the District I was directly involved with LAFCo, Lassen County Board of Supervisors and County Clerk to establish the District's initial Board of Directors as well as the transfer of multiple permits and closure procedures from multiple agencies for the seamless transition of our District operations. I closed out the Corporation books and established the books for the District transitioning to fund accounting. I have also administered the financial portion of a large capital improvement project as well as worked on the first ever successful water utility privatization project with the US Army and Department of Defense. I also am the primary administrator of a federal contract for utility services with the Federal Bureau of Prison.

In the last 15 years I have served on several Boards in Logan and Lassen County. I have served 4 years on a Preschool Board that during that time the school purchase property and moved the Preschool to a better location, hired a new Director and 2 new teachers.

I have served as PTA President for 2 years for a private K-8th grade school. After resigning from PTA President, I accepted a Board member position for 4 years during which time we hired 1 principal and 2 teachers, purchased computer lab equipment enough for all student, upgraded water system in building and purchased insulated windows to keep children warm and heating cost down.

Why do you want to serve on the SDRMA Board of Directors? (Response Required)

I have made a career-long commitment to safety and risk management, as a firefighter since 1986, emergency planner since 1993, and president of Olivenhain Municipal Water District's Board of Directors for the last three years, to which I was recently named to another term as president. My experience developing oversight standards and risk management assessment programs across several public agencies, combined with 14 years of leadership experience, is invaluable to a greater understanding of the field of risk management and my ability to properly navigate challenges faced by those in the industry.

Thankfully, I have been able to share my extensive knowledge and give back to the community in my capacity serving the customers of OMWD. A founding member of SDRMA, OMWD's commitment to safety far exceeds simply meeting minimum requirements, and this commitment has been renewed annually by the Board of Directors as part of our "Safety Has No Quitting Time" program. We have taken advantage of the Target Safety program since its inception, and have found it a cost-effective and valuable tool in providing employees with the training that they need to continually operate as safely as possible. Board members and management also routinely attend SDRMA trainings and events. Our commitment has yielded an unmatched lost-time injury rate and an exceptional experience modification factor—among the best in the state—proving that SDRMA has acted wisely in rewarding agencies such as ours with discounted premiums. OMWD has invested its trust in SDRMA, and SDRMA has most prudently returned the favor.

SDRMA's commitment to safety and risk management is just as extraordinary as at OMWD, and my successful track record of managing risk across agencies and disciplines provides me with a unique opportunity to positively contribute to the guidance of an organization as committed to risk management as I am.

What Board or committee experience do you have that would help you to be an effective Board Member? (SDRMA or any other organization) (Response Required)

The lion's share of my board-level experience is as president of OMWD's Board of Directors. During my tenure, OMWD has responded to the economic crisis of the last several years by dedicating ourselves like never before to the efficient expenditure of public funds. The board enacted policies such as the "Holding the Line" program, a unique cost-containing initiative that recently earned CSDA's Innovative Program of the Year award. The Special District Leadership Foundation recognized OMWD as a District of Distinction based on our sound fiscal and administrative policies, also recognized by the Government Finance Officers Association of the US and Canada for Excellence in Financial Reporting. Further, I serve as an elected councilmember of the La Costa Heights School Site Council, which oversees budgets and planning for supplemental educational programs. I am proud of my successes in leading such fiscally prudent public organizations, and I look forward to sharing these same principles at SDRMA.

**Special District Risk Management Authority
Board of Directors
Candidate's Statement of Qualifications**

**What special skills, talents, or experience (including volunteer experience) do you have?
(Response Required)**

Teamwork is critical when working together as a board, and I have proven as a member of Carlsbad Fire Department and OMWD's Board of Directors that my exemplary ability to work as part of a larger team is a valuable resource in pursuit of common goals. Compromise in the boardroom, however, is only effective when balanced with the ability to communicate one's informed position. This never-ceasing desire for maintaining my willingness to learn on behalf of my constituents is evidenced through my pursuit of a masters degree in Public Administration, as well as Special District Administrator certification through the Special District Leadership Academy. Just as important is sharing this knowledge with others; I ably convey lessons as a Battalion Chief with Carlsbad Fire, as a fire service instructor at Palomar College, as an Assistant Scoutmaster with Boy Scout Troop 2000, and as a volunteer with the Carlsbad Boys & Girls Club and Elfin Forest Recreational Reserve.

What is your overall vision for SDRMA? (Response Required)

SDRMA is widely respected in the special district community for its commitment to risk management, insurance, safety, and service to its members. Even during my relatively brief tenure on OMWD's Board of Directors, I have witnessed SDRMA constantly striving to improve the services that it offers, and I hope to assist SDRMA in continuing and enhancing the level of service that it provides.

This is not to say that SDRMA shouldn't continue to explore opportunities to improve; streamlining of the CIP program by which to offer more competitive base-level premiums is one area that may be examined. Another area is ensuring that the package of services SDRMA provides is competitive with that of other providers; SDRMA may consider a program through which instructors visit job sites for specific trainings when a Target Safety module may not be sufficient.

However, the groundwork for effective administration of SDRMA has clearly already been set by the board, and I hope to continue the strong tradition of exemplary service to its members.

I certify that I meet the candidate qualifications as outlined in the SDRMA election policy. I further certify that I am willing to serve as a director on SDRMA's Board of Directors. I will commit the time and effort necessary to serve. Please consider my application for nomination/candidacy to the Board of Directors.

After serving in the US Army, I enjoyed a lengthy career in law enforcement retiring in 2004 as a Police Lieutenant. I learned early in my career, that to be an effective individual and leader, it was important to actively listen to people; to seek understanding of all sides of an issue; and make decisions based on common sense and "rightness".

My experience as an elected official has broadened my knowledge and reinforced my belief that decisions must be made based on what is right, and not on what is a personal preference.

What is your overall vision for SDRMA? (Response Required)

I see SDRMA as continuing its' journey as a successful, effective and efficient service provider through innovation, right thinking and conservative business strategies. I can visualize the organization exploring other avenues of financial endeavors that will benefit our customers.
