Recommendation: It is respectfully recommended that the Commission review this status report and provide any comments and/or questions.

Discussion: This status report is to bring the Commission up-to-date with regard to the preparation of the Draft Sphere of Influence Update and Municipal Service Review (SOI/MSR) for the City of San Luis Obispo. The following is a brief summary of the tasks being completed:

Public Review Draft Sphere of Influence Update-Municipal Service Review. The Wallace Group (Avila Beach CSD managing consultant) has provided LAFCO with a variety of very informative documentation regarding the District's service capabilities. The Public Review Draft of the Sphere of Influence (SOI) Update and Municipal Service Review for the ABCSD is being completed as is the Municipal Service Review. Staff intends to review a Administrative Draft with the District consultant in the next week or so. Additional information regarding the preparation of the Public Review Draft will be provided at the October 16 LAFCO meeting.

Public Outreach/Schedule. It is anticipated that a 30-day public review period would be needed for the SOI-MSR. Staff will be attending meetings and hearings as needed and be available for consultation. The documents will be available on the Internet at www.slolafco.com. The attached schedule provides anticipated target dates for the SOI-MSR process.
