SUBJECT: RECEIVE NOTICE OF SUBMITTAL OF PROPOSAL FILE NO. 4-R-21 FOR SPHERE OF INFLUENCE AMENDMENT AND ANNEXATION #1 TO THE SHANDON SAN JUAN WATER DISTRICT

Recommendation. It is respectfully recommended that the Commission receive and file this report.

Summary. The San Luis Obispo Local Agency Formation Commission (LAFCO) received a landowner petition of application proposal for a Sphere of Influence Amendment and Annexation No. 1 to the Shandon San Juan Water District (SSJWD), LAFCO File no. 4-R-21 for two parcels APN's 037-321-016 and 037-331-014, consisting of approximately 2,494-acres.

This report provides the Commission with a formal notice of receipt for a new annexation application that was not filed by a district, as required by government code section 56857. Typically, an annexation application is received by the district or city wishing to annex an area into the their jurisdiction. However, State law also allows annexation requests to be submitted by a petition of landowner. When this occurs government code section 56857 requires that we inform the Commission at the first available meeting. The application request will then be forwarded to the water district and they will have 60 days to terminate the request if they do not wish to annex the area. If they do not formally request termination, the application will be processed by staff and the Commission will consider the item at a public hearing.

Staff will provide appropriate notice and requests for information to affected agencies and interested individuals consistent with Government Code section 56658 and 56857. Staff will update the Commission as necessary as this application is processed. The Commission may provide staff with any questions or comments on this item.
